**(Silver & Above, Active, veteran or retired military only) Select one:**

- I would prefer to vote on the issues via secure Internet means.  
 I would prefer to receive a paper ballot to submit on voting matters.

**Check those which apply:**

- I am available to be active with my State Action Team.  
 I would be willing to serve as a State Coordinator.

(Note: State Coordinators are required to attend specific legislative training conducted by the NVCCA. Much of this will be done via conference calling and web/video modes.)

- I have specific experience and want to apply it for the NVCCA. (Attach separate sheet/resume with specific skills and how you would like to help. We are always seeking those with bill drafting experience, writers, researchers and related skilled assistants. Contact us for details about specific openings.)

**Staff Sponsorship ("Platinum Plus"):**

To help compensate staff, we are looking for those who will pledge in increments of \$10 per week for each staffer they can help support. Bill drafting and legislative work is a highly specialized niche, and if we are to obtain (and more importantly RETAIN) top people, as full time, dedicated warriors we cannot expect them to serve as volunteers. For every 100 people who will pledge \$10 a week we can pay a \$52,000 annual salary to professional lobbyists, bill drafting lawyers, and other highly skilled people. Pledge payments can be made monthly, if desired, and automatically make you a "Platinum Plus" member.

- In addition to my membership dues, I would like to pledge \$\_\_\_\_\_ per week for \_\_\_(#) of staffers.
